About The Holiday Live in Concert with the Atlanta Pops Orchestra

The beloved Christmas film, *The Holiday*, will be presented live in concert this winter in Atlanta, featuring its musical score performed live to the film by the Atlanta Pops Orchestra. Taking place at Atlanta Symphony Hall on December 27 & 28, the show is a brand-new way of experiencing *The Holiday*, which has become a cult Christmas viewing experience for many.

The tour, becoming a firm favorite for families as well as music and movie lovers each festive period, follows on from a sell-out run of dates last December. The in-concert experience with a full orchestra and cinema size screen is an incredibly unique and immersive way to experience *The Holiday*.

The Holiday, from Universal Pictures, stars Cameron Diaz, Kate Winslet, Jude Law, and Jack Black, and tells the story of how two women who have never met and live 6,000 miles apart find themselves in the same exact place.

They meet online at a home exchange website and impulsively switch homes for the holiday. Iris moves into Amanda's L.A. house in sunny California as Amanda arrives in the snow-covered English countryside. Shortly after arriving at their destinations, both women find the last thing either wants or expects; a new romance.

The score for *The Holiday* was written by world renowned, highly celebrated and multiple Academy Award® and Golden Globe® winning composer Hans Zimmer and written, directed and produced by Nancy Meyers, known for films such as *It's Complicated*, *The Intern*, *Something's Gotta Give*, and *The Parent Trap*.

These performances will feature the Atlanta Pops Orchestra and will take place at Symphony Hall on Saturday, December 27, 2025 at 7:00PM and Sunday, December 28, 2025 at 3:00PM.
